Honorable Commissioner
Patent and Trademark Office
Washington, D.C. 20231

Dear Sir:

The Examiner's Action dated November 20, 1989, has been received, and its contents carefully noted.

Since this response is being submitted during the first month after expiration of the period set in the Examiner's Action, a petition for a 1-month extension of time and the required extension fee are submitted herewith.

The prior art rejections of all of the claims are again respectfully traversed for the reason that the novel device defined in these claims is neither disclosed in nor suggested by any reasonable combination of the teachings of the applied references.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: COMMISSIONER OF PATENTS AND TRADEMARKS, WASHINGTON, D.C. 20231, on March 19, 1990.
